STAT MEMORANDUM TO: [] Logistics Branch

SUBJECT : Priority for Equipment Requested from RED

1. It is requested that a priority be assigned to our order of a magnetic display board. Since this board, we feel, will greatly help RED in its effectiveness in controlling our technical contracts, we feel that this board's quick delivery is of great importance.

2. Because of this, we have already contacted our vendor and he is ready to begin production of the above item the instant he is informed of a voucher number.
